There are two routes by which you can make use of the Gold Bar Standard MLQ Leadership Assessment Reports:

1. MLQ Pty Ltd arranges

- assessment facilitation, report delivery and feedback
- training workshops
- developmental coaching - for groups and individuals
- project management.

It does this in association with its extensive Accredited Network.

2. Your or your nominee initiates and manages

- attend an accreditation workshop
- complete the short course (a competency test is involved).

Then you are able to drive your own assessments, give report feedback and provide training / coaching.

MLQ Pty Ltd promotes the use of appropriate internal - external accredited partnerships to deliver optimum results for individuals, teams and organisations.

Although MLQ Pty Ltd has an extensive enquiry list from its many contacts and exhibitions, it will only routinely follow these up once for each half year.

So the initiative is with you if you want to be linked up to where the action is!
